

COUNCILMEMBER CARL DEMAIO

FIFTH DISTRICT
CITY OF SAN DIEGO

April 13, 2009

Dear Mira Mesa Resident:

In an effort to keep you informed of what is happening with your city government, I am writing to invite you to a community meeting to discuss the proposed construction of a direct access ramp to the I-15 Freeway at Hillery Drive. This is an opportunity to ask questions and express your opinions on the plan.

The meeting will take place on April 20th, 2009, at the Mira Mesa Library located at 8405 New Salem Street. It will begin at 7:15 p.m. Joining me at the meeting will be representatives from CalTrans.

This proposed project would provide direct vehicular access to the I-15 Freeway at Hillery Drive and would be designed to encourage carpooling. It is expected to reduce travel times on the I-15 and accommodate traffic increases due to regional and population growth in the surrounding community.

Copies of the Environmental Impact Report regarding the project can be found on the internet at http://www.miramesatowncouncil.org/planning_group.htm. You can also obtain a copy by visiting the Mira Mesa or Scripps Miramar Ranch libraries.

If you have further questions or concerns about the proposed direct access ramp and cannot attend the meeting, please do not hesitate to contact me at 619-236-6655.

In Service,

Carl DeMaio
Councilmember
