**EXCHANGE CLUB OF SAN DIEGO
VOLUNTEER OF THE YEAR LUNCHEON – 2008**

Dear Business and Community Leader,

I am pleased to announce that the planning is in progress for the annual Volunteer of the Year Luncheon and Charity Fundraiser by the Exchange Club of San Diego. We have all heard about the heroic efforts of our police force. But, do you know about those volunteers who help America's finest police force. We have a group of dedicated volunteers who perform needed services for our police department and help relieve the overload. While there are many local service groups, which have recognized the outstanding service of our community's sworn officers, little has been done outside the San Diego Police Department to recognize volunteers who give so freely of their time and talents.

Since 2004, The Exchange Club of San Diego has invited the community to join them in recognizing an individual from among the San Diego Police Department Volunteers by hosting an event for the "Volunteer of the Year". This year's luncheon will be held at Tom Ham's Lighthouse, 2159 Harbor Drive, San Diego, CA 92101 on October 29, 2008 from 11am to 2pm.

The proceeds from this event help us in our mission to prevent child abuse. For every dollar spent on child abuse prevention, six dollars of expenses are saved in foster care, prosecution, legal services, mental health services, crime and incarceration.

The Exchange Club of San Diego would like to invite you to take advantage of this exceptional advertising and promotional opportunity. Expose your business in newspaper and media advertising, reaching across San Diego and its surrounding communities. Please review the sponsorship information attached. We hope that you will find a level that suits your business needs and support interests.

Exchange, America's Service Club, is a group of men and women working together to make our communities better places to live through programs of service in Americanism, Community Service, Youth Activities, and its national program—The Prevention of Child Abuse. Thank you for your support of the Exchange Club of San Diego. Your contribution will help prevent child abuse in our community.

Sincerely,

Exchange Club of San Diego
